to challenge

THE EXTREME DEMANDS!

Day by day, **SURVIVAL** is becoming increasingly valued skills of sustaining oneself in unpredictable circumstances, which does not only require the right techniques or the knowledge of terrain, but also the right tools.

SURVIVAL (especially green survival) can also be a great way of spending time off, though. **OUTDOOR** is a very much appreciated activity. To fully enjoy the potential of outdoor leisure, it only makes sense to stock up on trusted and proven premium tools. The tools should first be **handy, light, multi-functional, and reliable**.

This is where **NEO TOOLS** products are perfect outperformers. This is a dedicated collection designed specifically for **OUTDOOR AND SURVIVAL** enthusiasts, and great both for the beginners and the more seasoned users.

NEO TOOLS

- High quality specialist and popular **tools for professionals**, demanding users and those who do various DIY projects at home
- Made with the **latest technologies and materials**
- The brand helps in completing **heavy job and fulfilling personal passions**
- **NEO TOOLS** is also expanding in completely new areas that perfectly fit **the men's world**
